

SOCIAL SCIENCE ACTIVITY (28.04.11)

In class IV A the lesson ‘**Sensitivity Towards Others**’ in Social Science was taught through an activity. Children decorated pencils to share with their near and dear ones. The aim is we should be sensitive and take care of the feelings of others. These pencils were gifted to children of Navjeevan(children with special needs)

PRINCIPAL DAY CELEBRATED

To thank Principal Madam for her hard work and dedication Principal's Day was celebrated on 29th April'11. To show their gratitude, to principal ma'am, Children presented handmade photo frames, penholders, bookmarks with quotations. Also beautiful poems and quotations on "The Principal" were composed and presented as a token of love and appreciation.

Labour Day was celebrated on 2.05.11(Monday)

In the first half children did the activity 'DESK ACCESSORY CRAFT'. They made different items which they could keep on their desk. They made paper weight, photo frame, pen holders, piggybanks, bookmarks, table calendars. After this activity they cleaned their classrooms.

The aim of these activities was to make them realize the importance of self work and cleanliness. Their creative work was appreciated.

In the second half "KNOW YOUR SELF" activity was conducted. This was the first activity of "English Activity Week"

SCIENCE ACTIVITY

Class IV

A class activity was conducted in the activity week in Class IV. Making fibrous root and tap root with the help of wool threads and clay dough.

The objective of the activity was:-

- To create interest in the monotonous curriculum.
- To make a better understanding
- To learn to share , help and b more independent (since no parent help is given)
- Bringing out some inert and latent qualities of students which can not express other wise.

ORIENTATION PROGRAMME for **Cambridge Young Learners English Tests**

YLE Orientation Programme was organized on May 7th '2011 from 9.00 AM to 10.00 AM in the school premises. The aim was to help the parents to prepare their wards for the YLE Exam. These exams imbibe the skills of English language and will prepare the students to communicate in English confidently.

YLE gives children:

- the motivation to learn English
- the skills they need – reading , writing , listening and speaking
- the confidence to use the English they know
- the confidence to progress to higher levels.
